CMP Trash Guards

Title:

TGCMP12-P

Part No.

TGCMP12-P

Trash Guards are designed to cover the flared end section of an inlet or outlet pipe and prevent large debris from passing through while also restricting access to the pipe system. Guards for 12"-18" are also available as a plate style. Please note form company when ordering.

Steel flared end section is NOT included with the guard.

- Solid bar design for durability and long life
- Typical bar c/c is 6" one direction
- Hinged mounting tabs at 3 points
- Galvanized steel construction. Can be made from aluminum or stainless steel.
