Plate Style Trash Guards

Title:

TG12S-P

Part No.

TG12S-P

Trash Guards are designed to cover the flared end section of an inlet or outlet pipe and prevent large debris from passing through while also restricting access to the pipe system.

- Plate design for durability and long life
- Typical opening width is 5" one direction
- Hinged mounting tabs at 3 points
- Galvanized steel construction. Can be made from aluminum or stainless steel.
