Illinois Trash Guards - Standard

Title:

TG12IL-F

Part No.

TG12IL-F

Illinois Trash Guards are designed to cover the flared end section of an inlet or outlet pipe and prevent large debris from passing through while also restricting access to the pipe system. These guards are designed around IL standard 542311.

- Includes top hardware kit and bottom cross pipe
- Galvanized steel construction. Can be made from aluminum or stainless steel.
