HS-20 Load Rating Cover Mats

Title:

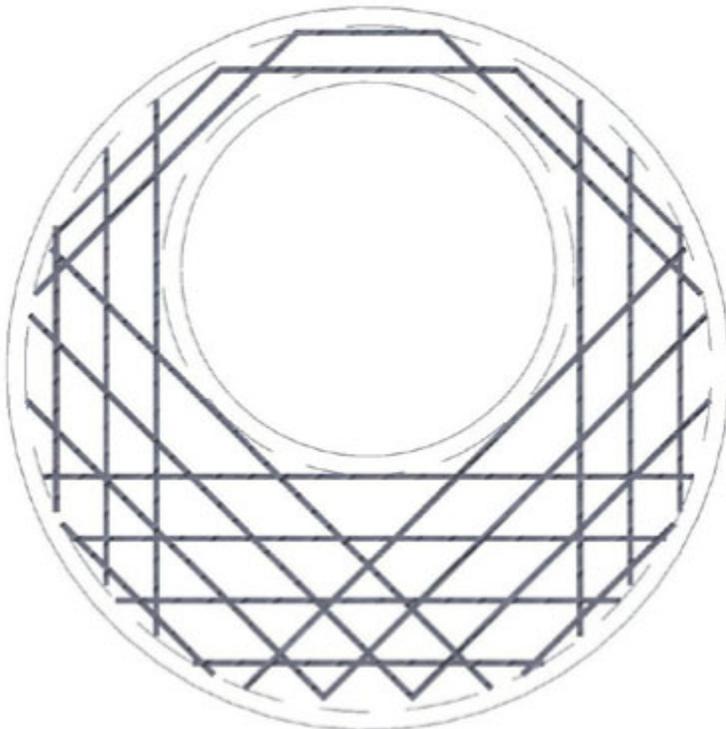

M36X24C

Part No.

M36X24C

Haala Industries' HS-20 Load Rated Cover Mats are rebar and deformed bar reinforcement mats that have been calculated by an independent professional engineer for HS-20 loading applications. Cover mats can be made for round or square applications and are available with eccentric or centered manhole openings. We have the capability to custom design and manufacture rebar reinforcement products to meet your specific requirements.

- Can be custom made
- Made from USA domestic material
- Typical material is A706 grade 60 rebar
