Illinois Trash Guards - Naperville

Title:

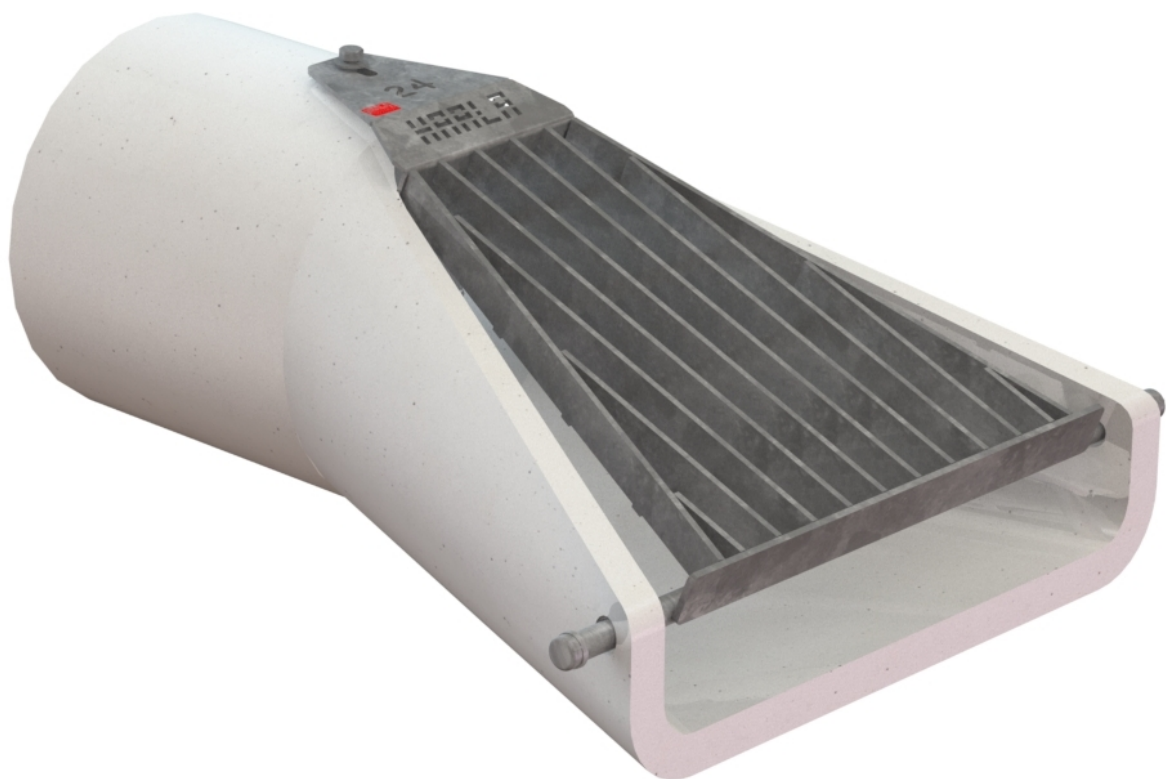

TG12IL-F-83

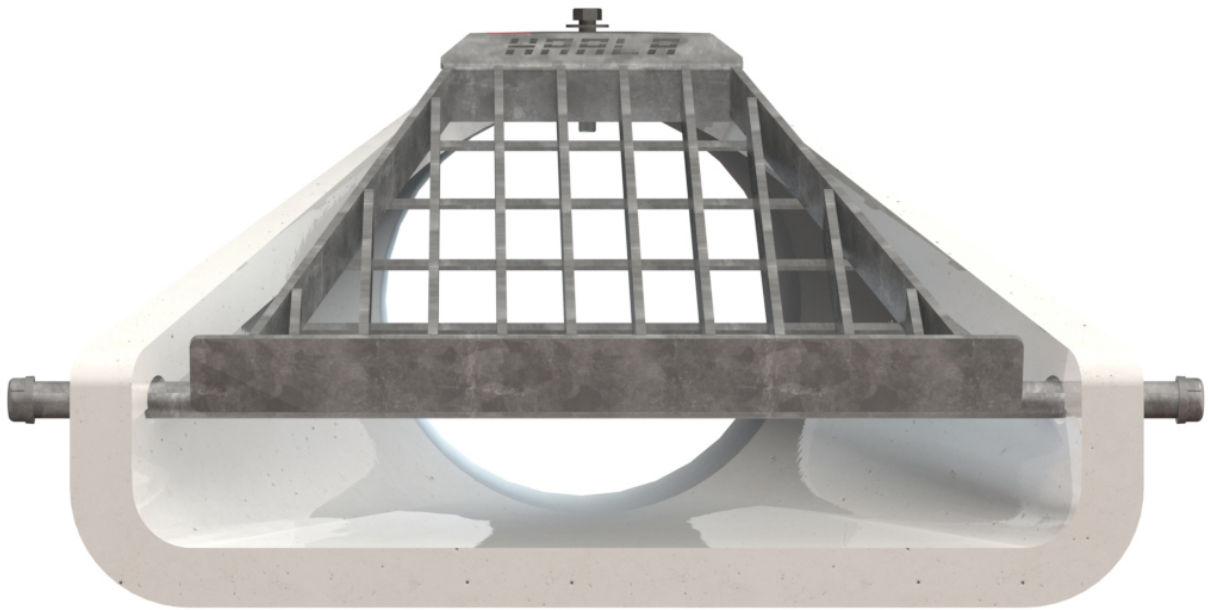

Part No.

TG12IL-F-83

Illinois Trash Guards are designed to cover the flared end section of an inlet or outlet pipe and prevent large debris from passing through while also restricting access to the pipe system. These guards are designed around IL standard 542311.

- Includes top hardware kit and bottom cross pipe
- Guards are designed with 8"x3" openings. Originally built for the city of Naperville, IL.
- Galvanized steel construction. Can be made from aluminum or stainless steel.
